

## **STATEMENT ON RUSSIA'S WAR ON UKRAINE & INTERNATIONAL SPORT**

Russia's unprovoked and unjustifiable war of choice against Ukraine, enabled by the Belarusian government, is abhorrent and a flagrant breach of its international obligations. Respect for human rights and peaceful relations between nations form the foundation of international sport.

We, as a collective of like-minded nations, affirm our support for international sport organisations' position that:

- Russia and Belarus should not be permitted to host, bid for or be awarded any international sporting events.
- Individual athletes selected by Russia and Belarus, administrators and teams representing the Russian or Belarusian state should be banned from competing in other countries, including those representing bodies, cities or brands that are effectively representing Russia or Belarus, such as major football clubs.
- Wherever possible, appropriate actions should be taken to limit sponsorship and other financial support from entities with links to the Russian or Belarusian states.

We call on all international sport federations to endorse these principles and applaud all those that have done so already. We also welcome the International Paralympic Committee's decision to prevent Russia's and Belarus' athletes from competing in the 2022 Winter Paralympics in Beijing. These restrictions should be in place until cooperation under the fundamental principles of international law has become possible again.

We encourage all international sport organisations and all relevant legal bodies not to sanction athletes, coaches or officials who decide unilaterally to terminate their contracts with Russian, Belarusian or Ukrainian clubs, as well as not to pursue or to sanction sport organisers which decide to ban athletes or teams selected by Russia or Belarus.

Furthermore, we encourage the international sport community to continue to show its solidarity with the people of Ukraine, including through supporting the continuation of Ukrainian sport where possible.

***Declaração sobre a Guerra da Rússia na Ucrânia e Desporto Internacional***

*A guerra intencional, não provocada e injustificável da Rússia contra a Ucrânia, permitida pelo governo bielorrusso, é abominável e uma violação flagrante das suas obrigações internacionais. O respeito pelos direitos humanos e as relações pacíficas entre as nações formam a base do desporto internacional.*

*Nós, como um coletivo de nações que partilham a mesma opinião, afirmamos o nosso apoio às organizações desportivas internacionais relativamente ao abaixo:*

*- A Rússia e a Bielorrússia não devem ser autorizadas a acolher, a candidatar-se ou a ser-lhes concedida a organização de qualquer evento desportivo internacional.*

*- Os atletas individuais selecionados pela Rússia e Bielorrússia, administradores e equipas que representam os Estados russo ou bielorusso devem ser proibidos de competirem noutras*

*países. Isto inclui aqueles que representam organismos, cidades, ou marcas que representam efetivamente a Rússia ou a Bielorrússia, tais como grandes clubes de futebol.*

*- Sempre que possível, devem ser tomadas medidas apropriadas para limitar o patrocínio e outros apoios financeiros de entidades com ligações aos Estados russo ou bielorrusso.*

*Apelamos a todas as federações desportivas internacionais que adotem estes princípios e aplaudimos todas aquelas que já o fizeram. Saudamos igualmente a decisão do Comité Paralímpico Internacional de impedir que os atletas russos e bielorrussos compitam nos Jogos Paralímpicos de Inverno de 2022 em Pequim. Estas restrições devem ser aplicadas até que a cooperação ao abrigo dos princípios fundamentais do direito internacional se torne novamente possível.*

*Encorajamos todas as organizações desportivas internacionais e todos os organismos legais relevantes a não sancionarem atletas, treinadores ou oficiais que decidam rescindir unilateralmente os seus contratos com clubes russos, bielorrussos ou ucranianos, bem como a não perseguirem ou sancionarem organizadores desportivos que decidam banir atletas ou equipas selecionadas pela Rússia ou Bielorrússia.*

*Além disso, encorajamos a comunidade desportiva internacional a continuar a mostrar a sua solidariedade para com o povo da Ucrânia, inclusivamente apoiando a continuação do desporto ucraniano sempre que possível.*
